

# Backroads Touring - KANSAS!

June 10-12, 2011  
Eureka, Kansas

## 2011 Flint Hills Stampede

### Sponsors

Thank You for your interest in supporting the Flint Hills Stampede. Backroads Touring - KANSAS! is a growing group of individuals who enjoy the opportunity to gather and explore the many scenic and historical areas of Kansas. As a group, we embrace responsible operation of our machines, courtesy and respect to those who live in the areas where we ride, and personal safety in the form of helmets and protective gear.

We're hoping that corporate support will enable this site to become a world-class destination for people wanting to see more of Kansas, and also provide a portal for those interested in becoming engaged in the sport of off-highway adventure touring.

To become a sponsor to this event, we ask for a contribution of \$100 in the form of merchandise that can be used as door prizes and distributed to our attendees.

- As a sponsor, we will provide you with a Logo/Link on the 'Home', 'Stampede', and 'Sponsor' pages of the Backroads website. Your logo and link will be on display until the next scheduled event in 2012.
